Diane Sarah Bégin EARNS CERTIFICATION in CHANGE MANAGEMENT from PROSCI and the Change Management Learning Center

Ottawa, January 20, 2009 -- Diane Sarah Bégin, CEO and Consultant, HRSB Concepts Inc. earned a certification in the Change Management process in accordance with Prosci methodologies and tools.

Prosci, an independent research company in the field of change management is the creator of the [ADKAR® model](#), one of the most effective tools for helping employees through change. The program held December 9 – 11, 2008 in Tampa, Florida, USA provided an excellent environment to learn the principles, processes and tools required to facilitate the management of change.

The certification, awarded by Prosci and the Change Management Learning Center is accompanied by a licence to access the [Change Management Pilot Professional](#), a fully electronic, integrated change management application with worldwide online access and downloadable templates and assessments.

With this certification, Diane Sarah Bégin possesses a framework and cutting edge research for the management of change, access to a network of experts and a battery of change management tools to enhance her extensive experiences in managing change in contemporary public sector organizations.

“ Currently Prosci hosts more than 38,000 members in the Change Management Learning Center. Prosci’s research data includes more than 2000 organizations from 59 countries. Two thirds of Fortune 100 companies are using Prosci's change management models and tools.” (see <http://www.change-management.com/AboutProsci.htm> for details)
